

Poston Preserve

Restoring Poston, South Carolina

The Poston Foundation seeks launch support to preserve Poston's public history and strengthen this historic Florence County community. Phase One will organize scattered records, engage residents, identify practical needs and prepare modest local projects.

The founding pilot of The Poston Preserve Initiative

\$25,000

PHASE ONE LAUNCH GOAL

What launch funding supports

01 Community development

Resident and property-owner outreach, community mapping, needs assessment and appropriate direct assistance.

03 Beautification

Locally informed cleanup, signage research and modest visible projects, subject to funding and permissions.

02 Public history and education

Archive development, maps, photographs, oral-history preparation and educational materials that preserve local knowledge.

04 Conservation planning

Early mapping, research and partnership development in the lower Lynches and Great Pee Dee river corridor.

Planned Phase One results

- Public community profile and needs assessment
- Expanded Poston Archive
- Initial partners and sponsors
- At least one modest community project
- Economic and incorporation-readiness roadmap
- Donor updates on funds and completed work
